Dear Parent or Carer

At Waratah Public School we endeavour to recognise and acknowledge student achievement and involvement in school activities through publicly available school communications. This includes but is not limited to:

- school’s public website
- school newsletter (online and hard copy)
- local community newspaper / magazine
- media promotions and advertising activities
- electronic and print promotional material
- annual school report

We are seeking your permission to obtain and publish through printed or electronic media, content that may include the image and / or name of your child.

Content examples include student work samples, photographs, text, illustrations / graphics, video footage, sound recordings or simply the use of a student’s name. Please note, names on our school website and newsletter will be limited to first name and class (eg. Jane 2B).

It is appreciated that parents and caregivers may have valid reasons for not approving of their child being included in such publishing. Therefore you are requested to complete the relevant section below and return the whole page to your child’s teacher as soon as possible.

This permission remains effective for the entire time your child is enrolled at Waratah Public School or until you advise the school otherwise.

Yours sincerely

Maria Williams
Principal
